SPONSORSHIP APPLICATION

Orphans' Aid Society is a nonprofit organization whose main objective is to raise funds for our orphans in Ukraine. **For only $15.00 per month,** you will help feed, clothe and educate a child. While $15.00 per month is the minimum for sponsorship, you can elect to donate a larger amount. **The full amount of your monthly donation will be directly transferred to the child you are sponsoring.** You will receive a photograph of the child, information regarding his or her progress and will be able to correspond directly with the child, if you so choose. Sponsorship is set up to last until the child reaches the age of 16, although we do have a program for college students and you can elect to keep sponsoring your child until graduation, if you so choose.

Please complete the following application and send it, along with your check for the first payment, to OAS at the address shown below. You will receive information regarding YOUR SPONSORED CHILD in 2 to 3 weeks. Even if you are not able to sponsor a child, onetime donations will enable us to aid some of the children on our waiting list.
